Mike can fly very well. He is a very good paraglider.
And he can do many crazy things with his paraglider.
This is why some people call Mike "Mad Mike".

Some people like to go by car. Some people like go by bus.

Some people like to go by bike. Sometimes people even like to go by balloon.

Mike has an idea. He wants to go by balloon first – and then jump off the balloon with his paraglider.
Not many paragliders can jump off a balloon – but Mike can.

Eigentlich startet man mir dem Gleitschirm auf einer Wiese an einem Berg – Mike wäre nicht „Mad Mike“ wenn er nicht auch mal kopfüber aus einem Heißluftballon springen würde.
